PSI CHAPTER: HONORING OUR PAST, BUILDING OUR FUTURE

MOVING AHEAD TO PHASE TWO

Board of Directors OKs Groundwork for Phase Two and Extends the Capital Campaign

At its October 21st meeting, the House Corporation Board of Directors voted unanimously to proceed with planning, programming, and budgeting for the second and final phase of our work on 608 Preston Place: the restoration of the 94-year-old Chapter House's living quarters. Initial goals set by the Board include a review of the design elements of the current plans with an eye toward cost saving and schedule shortening. The Board directed the Building Committee to engage an architect to assess new design and program requirements that emerged during the time that Phase 1 (new Chapter Room and social space addition) was being completed. A major goal is to finish nearly all of Phase 2 work over the summer break to avoid shutting down normal house operations for any period of the school year. The Building Committee was also directed to work with the active Brothers to design an efficient kitchen and modern dining facility on the first floor, an additional bathroom facility on the second floor, and the addition of two to three bedrooms bringing the total sleeping capacity to 24 Brothers. New heating and air conditioning systems and an additional study area will also be features of the restored Chapter House.

The Board has targeted the end of January 2018 to receive a preliminary budget estimate for Phase 2, revised design plans for Phase 2, and a marketing brochure promoting Phase 2. Construction start is targeted for May 2019 with project completion in September of that year.

After a review of the Capital Campaign giving to date (nearly \$1.6 million in total pledges), the recommendation was made to continue the campaign with a renewed focus on Phase 2. The Capital Campaign Committee will be restarting campaign initiatives this coming winter and spring. The original campaign goal of \$2 million is considered achievable and appropriate for the work that remains to complete the Phase 2 restoration.

SIGMA CHI MAINTAINS HIGH GPA

DERBY DAYS RAISES \$21,000

Psi of Sigma Chi had a very successful 2017 fall semester. Our Chapter upheld all the requirements of the Jordan Standard by maintaining excellent grades, participating in many forms of philanthropy, dedicating ourselves to recruitment, and maintaining a great relationship with our Alumni.

The Brotherhood was able to maintain one of the highest GPAs in the IFC and Greek community overall, as each of us has been actively seeking new ways to excel as a student. Within our House, there is a great sense of dedication and motivation toward our academics, with each Brother inspiring another to put maximum effort into his studies.

Our Derby Days philanthropy raised \$21,000 in the spring for the Children’s Miracle Network, one of the most successful fraternal philanthropic efforts on Grounds. We not only provide money to the Children’s Miracle Network but also time and effort. Our philanthropy chairmen, **Jack Jeffrey ’18** and **Martin Knauf ’19**, organized hospital tours and an event at Jump C’Ville with the Miracle children to develop a deep connection and relationship with these kids. Yet this was not the only way Brothers gave back to the community, as the Brotherhood continued their support for other Greek organizations. For example, we had the most participation in Alpha Phi’s Thankful 5K and Zeta’s Big Man On Grounds Philanthropies.

The entire Brotherhood on Bid Day.

The Psi Chapter also has several Brothers holding leadership positions within UVA, including organizations such as Madison House, Interfraternity Council – Judiciary Committee, One Goal, Pancakes for Parkinson’s, Camp Kesem, One in Four, and many others. We also excel in athletics as the Brotherhood won the Intramural fraternity championship for basketball and **Drew Lakey ’19** walked on to the UVA varsity basketball team.

Throughout the semester, we hosted several successful Alumni and parent events. In October, we hosted our annual Dads’ Weekend, where we played golf and went to a UVA football game. A couple of weeks later, we hosted a party at the Chapter House for Homecoming weekend in which Alumni were able to see the new addition to the House and have a great time with Psis across multiple generations.

The Psi Chapter is truly reaping the benefits of all the hard work and money put into the new addition to the Chapter House. Formal chapter meetings and rush voting sessions take place in the new Chapter Room, along with informal study sessions and gatherings to watch a game. Our House is the talk of the grounds and is an honor to live in. The active Brotherhood would again like to thank all our Alumni for their support and look forward to seeing each one of you at the Chapter House in the near future.

In hoc,
Rob Raiola ’18

CHAPTER ETERNAL

Samuel B. Craig, Jr. '61 entered Chapter Eternal on November 12, 2017. His career in higher education placed him on the faculties of the University of Pittsburgh, Lafayette College and the University of Paris VIII, where he prepared marketing students for internships in Pennsylvania for companies needing assistance in exporting their products in Europe. In 1991, in partnership with his wife, he created Entrée Resources, an innovative approach to small businesses that needed its expertise in these fields. His hard work paid off and provided unique opportunities for both the participating companies and students until his retirement in 2014. Dr. Craig is survived by his wife of 56 years, Susan Brown Craig; a son, Christopher Brown Craig (Elizabeth) of Mechanicsburg, Pa.; and a daughter, Hille Craig of Tampa, Fla. All honor to his name.
